

Application form

Master of Science in Ubiquitous Networking and Computing

Master Informatique: Fondements et Ingénierie, Parcours Ubinet

Polytech'Nice-Sophia, Nice Sophia Antipolis University, France

Candidate Name:

(please indicate your name here)

Notes for applicants

Please fill in the application as fully as you can to assist the Scientific Committee in the selection process. Incomplete applications will not be considered. The final decision regarding your application will be made by the Scientific Committee. You will be notified when your application is received and completed.

The following documents are required for your application. You should concatenate them into only one pdf or doc file:

1. Curriculum vitae
2. MSc Application filled form
3. Copies of certificates and diplomas from previous education at an internationally recognized University
4. Transcript of Records (all courses taken in the last year, all grades received, all honors received)
5. Photocopy of passport pages where name, birthdates and birthplace appear.

Any requested document not written in English or in French must be translated into English.

Then follow the instructions described on the following page to submit your form:
http://ubinet.inria.fr/index.php?option=com_content&view=article&id=23

You must send a copy of the **referee form (available on MSc website) to at least two referees**. The referees should send us their reference by email only **directly** to the address indicated in the referee form.

Do not send the application or the form by surface mail. Original copies will be requested at registration in case you admitted to the program.
